

# Magic in Teaching

*Innovative Strategies in  
Simulation, Technology  
and Learning Science*

October 18 & 19, 2011 | Crowne Plaza San Diego

Upon completion of this continuing education program, the participant will be able to:

- ✓ Identify innovative strategies for curriculum development
- ✓ Articulate the value of academic/service partnerships as it relates to nursing education
- ✓ Understand the accountability of nursing educators in preparing students for the practice setting relative to patient safety
- ✓ Identify new options for creative teaching strategies in the classroom and clinical settings
- ✓ Explore future directions for nursing education excellence

Stay at the Crowne Plaza San Diego for a special
