

# California Nursing Workforce news & updates

Volume 7 | Spring/Summer 2019 Issue

## Event Recap

[2019 National Forum of State Nursing Workforce Centers Conference](#)

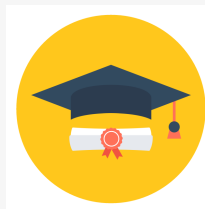

## Welcome Aboard

[Meet Sharon & Michelle](#)

## Spotlight: California Simulation Alliance

[Update](#)

## Nursing Education Redesign Update

Over the past year, HealthImpact has worked with the Kaiser Permanente Northern California Fund for Health

Education at the East Bay Community Foundation on the Nursing Education Redesign Project. Four pilot schools applied to participate in this innovative project to transform their curricula. Learn about the final outcomes, support tools, and ongoing learning community.

## Coming Up Next for the Future of Nursing 2020-2030

The first of three regional meetings on the **Future of Nursing 2020-2030** took place in Chicago on June 7th, covering the theme, "Education,

Research, and Practice." A recording of the Chicago Town Hall is now online, along with presentations from the speakers. Resources and sessions from the Philadelphia meeting taking place on July 24th, "Vulnerable Populations and Paying for Care," will also be available at the conclusion of the event.
